

AFORE Solutions President & CEO Alex Berlin to discuss successful Near-Shore R&D outsourcing to Canada.

Ottawa, Ontario, Canada January 30 2007 - Canada is proving itself to be a strong Near-Shoring option for U.S. companies looking to outsource product development, design services and R&D. AFORE Solutions President & CEO Alex Berlin joins the OCRI In-Shoring Conference on February 15th 2007 to discuss why our customers choose to do R&D in Canada with AFORE, what the challenges are and how we manage Near-Shore R&D services..

Mr. Berlin will focus on identifying the challenges and opportunities for Canada in executing the groundwork of the Action Roadmap and help to lead Canada to become an more dynamic, competitive and better recognized sourcing location for leading edge R&D work.

About AFORE Solutions

AFORE Solutions Inc. is an embedded SW and HW solutions provider specializing in design services for networking companies.
